- Eats meals independently with encouragement
- Has sufficient funds to pay for two to three years of care

Services available

Our service philosophy is designed to fully support the daily lifestyle and needs of a person facing early and mid-stage Alzheimer's disease or other memory loss. Our fee and rate structure reinforces this philosophy by providing a complete list of personal, supportive and nursing services that can be matched to the unique needs of the individual. Changes in the resident's condition may warrant an increase or decrease in the monthly fees based on the services provided. Changes in the services are communicated to the responsible party as they occur.

Basic service rate includes:

- Emergency call system
- Medication administration
- Simple incontinence care
- Assistance with weekly bath or shower
- Assistance with activities of daily living (up to 60 minutes per day) including: dressing, grooming, hygiene, toileting and feeding
- Three meals per day and snacks
- Daily housekeeping
- Weekly laundry service
- Towels and bedding for a twin bed
- Chapel and religious services
- Utilities (heat, water, sewer, electricity and air conditioning)

Basic service standard residence \$6,435/month*

Basic service double occupancy \$5,225/month per person*

**The Cottages is currently unable to accept Medicaid funding. Total monthly cost is based on personal needs assessment.*
