

Announcements from the Activity Department

* We are going back to in-room bingo, look for a bingo sheet in your cubby and bingo numbers will be announced daily over the loud speaker. If you get a BINGO, call extension 4425 and leave Kayla 2 a message.

* Please fill out your Activity Room Service sheets if there is something you need or want from the Activity Department, and return to the front desk.

* Try something new... Sign up to try WII Bowling or to play computer games.
