**For every leader who aims to excel, inspire, and serve—
no matter the adversity they face.**

For nearly 70 years Cedar Community has championed for the friends and neighbors who call our campuses home. Today, we want to invite other community leaders and champions—like you—to attend this extraordinary event.

You are invited to join us for this private leadership event featuring seven-time US National Boxing team member and champion, Héctor Colón.

Colón will chronicle his journey from the troubled streets of Southside Milwaukee, to the boxing ring and international stage, and now, to the boardroom—leading one of the region's largest not-for-profit corporations.

Today, Héctor Colón serves as president and CEO of Lutheran Social Services of Wisconsin and Upper Michigan—a 140-year old social service organization commanding a \$60M annual budget. He also currently serves as vice president of USA Boxing board of directors, and as a member of the Board of Regents for the University of Wisconsin. He was recently named the Nonprofit Executive of the Year by BizTimes Media and the Hispanic Man of the year by UMOs. He published his first book in 2020.

*We hope you will join us for an evening of storytelling, insight,
and an inspirational message that packs a punch.*
