Dear Volunteers,

Happy spring to all! As we move forward over the next few months you will see different volunteer opportunities "pop up." Please check your email often for additional events throughout the month. Thank you to all who signed up to drive the pontoon boats and golf carts this summer for volunteer and personal use. Training dates and refresher courses will be provided in the next few weeks. Thank you for considering the following events for the month of May. Your help makes these events possible.
