

January 26, 2023

Greetings neighbors of Cedar Lake Health and Rehabilitation Center!

As you may know, Cedar Community is beginning renovations and improvements to buildings on our Cedar Lake Campus. Improvements to the façade of the buildings, hallway refreshes, and upgrades to public spaces are all part of the comprehensive plan. As with any remodeling or renovation project, there will be some inconveniences for residents and team members alike.

Thank you for your ongoing support and understanding as we improve and update your residence.

What's next: As the renovations progress, the construction team is now at a point where they need to begin work in areas in and around the skilled nursing and rehabilitation units.

What does this mean: Tuesday, February 7th, the Cedar Community team will permanently relocate all Sunrise residents and select Forestview residents to their new rooms. If you or your loved is included in these moves, our team will be in contact with you to discuss details such as phone numbers, room numbers, etc...

We greatly appreciate your understanding and flexibility during this transition.

Please feel free to reach out to any of us with questions.

Thank you,

Kelli DeRuyter RN, BSN, LHNA
Administrator/VP of Clinical Services
